

**FOR IMMEDIATE RELEASE**

PRESS RELEASE

9 April 2010-Lisbon, Portugal

***Vision-Box awarded International Entrepreneur of the Year***

Last night, Ernst & Young's International Entrepreneur of the Year award was presented to Vision-Box's CEO Mr. Bento Correia and Senior Vice-President Mr. Miguel Leitmann. This award celebrates Vision-Box's successful, growing and dynamic business. Furthermore, it is considered to be among the world's most prestigious business award, because it awards companies who are the most exceptional among a unique group of companies.

Mr. Bento Correia gave a speech thanking the award on behalf of everyone who works at Vision-Box. For Vision-Box, this is a great achievement and recognition of the hard work, determination and entrepreneurial spirit which runs through the organization.

**About Vision-Box**

Vision-Box S.A. was created in 2001 and formed by a team of international specialists with unique backgrounds, rewarded patents in various IT sectors ranging from Computer Vision to Aerospace Technologies.

Vision-Box concentrates its business activities in three major areas:

1. Intelligent Digital Video Management solutions & Danger Management systems
2. Electronic Identity solutions based on Live Biometric enrolment and verification kiosks and automatic border control systems.
3. R&D in Computer Vision Technologies for terrestrial and aerospace applications.
